Reviews

Reviewer: <u>Victor Von Psychotron</u> - ★★★ - June 13, 2013

Subject: Jazz vs. classical

Jazz-loving cat vs. classical-loving mice. Slapstick ensues. The timing of the

animation to the final music is perfect.

Reviewer: <u>babysprite</u> - ★★★★ - August 31, 2009 Subject: From the Golden Age of Movie Theater Cartoons

Such is evident in the superior quality and imagination of this short. I don't know if we will ever see cartoons made this way again. Thank goodness for the Internet Archive we can still see what's left of that generation.

**Reviewer:** <u>Robin\_1990</u> - ★★★★ - April 25, 2008

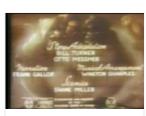

Subject: Fabulous

Excellent cartoon from animation's golden age.
